Reasons for Allowance

1. Applicant's brief of Appellants filed 2/24/2005 has been fully considered and are persuasive. The previous of office action mail on 2/26/2004 has been withdrawn.
2. Claims 1-22 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed a polarization controlled optical energy source comprising, along with all the other claimed feature, a **polarization medium** positioned in proximal relation to the laser source element for polarizing the light output in **a third polarization states** that selects and **attenuates each of the at least two polarization states equally or substantially equally**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
